

Workplace Violence Prevention Training

**Dynasty Building
4th floor - Diamond Room A
180 King Street**

Workplace violence is a growing and serious problem in Manitoba workplaces. As of 2007 a new Workplace Health & Safety law that deals with violence is in place. Workplaces now need to identify and assess the risk for violence in their workplace and develop a Workplace Violence policy.

Who Should Attend:

**Managers, Supervisors,
Members of the Joint
Health & Safety
Committee, Workers**

Highlights of the training include

- ✓ **What is workplace violence**
- ✓ **Consequences of workplace violence on individual workers and their workplace**
- ✓ **Risk factors for workplace violence**
- ✓ **Explore ways to eliminate or reduce the risk of workplace violence**
- ✓ **Understand the components of a successful workplace violence prevention program**
- ✓ **Available resources**
